

Jessie Banuelos, Certified Insurance Counselor, is the owner of her Farmers Insurance Agency located in Orinda. Jessie has spent the last 20 years working with property managers, property investors and business owners, helping them protect their biggest assets by providing comprehensive insurance reviews and placing the best insurance coverage available to protect their exposures.

Jessie has a team with three licensed insurance professionals and together they strive to separate themselves from the rest by collaborating with other real estate professionals on Jessie Talks via her YouTube channel, teaching financial literacy to the local high schools, sharing professional experiences with college students, most recently speaking at Cal State East Bay. Jessie is also one of the authors of the recently released "Destiny Talks, The Women Empowerment Edition" and the due to be released "You Are Not Alone: Recipes to Obtain Success by Students for Students".

Jessie is as excited about insurance today as she was at the start of her career and is available for consultations and reviews of your client's insurance programs as well as your own personal insurance portfolios.
