## CREW East Bay Announces that Kristen Thall Peters was Elected 2019 President of CREW East Bay

Oakland, Calif. – The announcement that Kristen Thall Peters was elected 2019 President of CREW East Bay was made at the CREW Holiday Party on December 11, 2018. Ms. Thall Peters looks forward to serving CREW Network as president in 2019.

As a partner of Cooper, White & Cooper LLP, Kristin Thall Peters chairs the firm's Green Practice Group and practices real estate, land use, environmental and business law. Ms. Peters advises and counsels commercial developers and property owners in connection with real estate acquisition and sales, development projects, green building, easements and rights of way, and regulatory and land use approvals, including compliance with CEQA, NEPA, and the Endangered Species Act. Ms. Peters is currently a member of Women in Cable Telecommunications, California Land Title Association, The Real Estate and Environmental Sections of the State Bar of California, and President of the Real Estate section of the Contra Costa County Bar Association, as well as a member of the Board of Directors for the Bar Association, and Kappa Alpha Theta. Prior to practicing law, Ms. Peters was an Environmental Protection Specialist with the US Army Corps of Engineers.

CREW East Bay, with over 100 members, is the leading organization for senior-level executive women in the Alameda and Contra Costa County commercial real estate field. Part of CREW Network, the industry's premier networking coalition, CREW East Bay is transforming the commercial real estate industry by advancing women globally. CREW Network's membership of nearly 10,000 professionals in more than 70 major global markets represents all aspects of commercial real estate, providing members with direct access to real estate professionals across all geographies and disciplines.
